## Murray Leads TAX - AX Drive

Rep. Mary Jeanette Murray (R-Cohasset) will serve as one of the Plymouth County Coordinators for the "Tax Ax" petition signature drive which would place House Republican Floor Leader William G. Robinson's (R-Melrose) income tax cut plan on the 1980 ballot.

On Aug. 1, Rep. Robinson filed the initiative petition for the income tax cut plan in the state Attorney General's office. By December 5, 1979, Robinson will need to gather 62,000 registered voters' signatures to introduce the petition in the House of Representatives for the 1980 legislative session. If the legislature fails to pass the proposal, Robinson, with the help of House Republican members such as Rep. Murray and community volunteers interested in seeing an income tax cut on the 1980 ballot as a binding question will have to gather additional signatures to insure that the income tax cut proposal is

placed on the 1980 ballot.

Said Murray, "Reducing the state income tax is a far better way to bring tax relief to the already overburdened taxpayers of this Commonwealth. It is a pleasure for me to work for this proposal since I believe that state spending must be reduced."

"Governor King promised a \$500 million property tax rollback this year. He failed to deliver it. But, taxpayers would feel the effects of a \$318 million tax cut, as this plan promises, immediately."

The income tax cut plan Robinson is proposing would return \$318 million to taxpayers' pockets over a period of two years. Depending on an individual's income and tax factor, each taxpayer will save between seven and sixty percent — and perhaps more — of what he or she is scheduled to pay on 1979 income.

The proposal would repeal the 7 1/2 percent surtax,

reducing withholding deductions on July 1, 1980 and thereafter.

A variety of changes in the income tax laws would benefit almost every taxpayer through increased exemptions and other forms of tax relief.

Rep. Murray will coordinate the TAX AX petition signature drive for Plymouth County. Volunteers may call her at her State House office at 727-2400 or at her home at 429-1347.
